## How to Submit a Claim for Orthodontics

When submitting an orthodontic claim, submit a treatment plan before the treatment begins and submit receipts following the procedure.

### 1. Submit a treatment plan

At the start of the orthodontic treatment, the dentist or orthodontist will prepare a written outline of the proposed treatment. This is called a treatment plan. We need a copy of the treatment plan before we can reimburse an orthodontic claim.

When your orthodontist gives you the completed treatment plan form, forward it to PBC.

Make sure to indicate:

- Patient's full name
- Patient's dependent number and birth date
- The member's group and ID numbers
- Information about additional dental coverage (with Pacific Blue Cross or with another carrier)

### 2. Submit receipts (or claim forms)

Make sure to indicate:

- Patient's full name
- Patient's dependent number and birth date
- The member's group and ID numbers
